

Case Study

Location: Aldershot Centre for Health – Phase 2

Project Value: £5.1m

Client: Wilky Property Holdings Plc.

Project Manager: Primary Medical Property Health Developments Ltd.

Architect: QP Architecture.

Cost Consultants: Altus Andrews.

Project Vision:

Following the successful completion of the £30m, 138,500ft², and largest primary healthcare centre in Britain; the Aldershot Centre for Health, the Client (Wilky Property Holding Plc) have looked to an adjacent site to extend their impressive healthcare portfolio.

Phase 2 of the Aldershot Centre for Health will comprise a 70 bed care home facility, totalling approximately 3,100m², designed by QP Architecture.

The proposed nursing home is one of two currently being progressed by the Client, which will embrace the high level of finishes and facilities which have become mandatory.

Altus Andrews are appointed as Cost Consultants for the proposed project which is due to be submitted for planning within the next few months.
